

## **REGISTRATION LOTTERY 2023**

This years registration will be conducted through a lottery. Each registration session will use the same procedures.

On the day of your assigned registration you will meet in the assigned area. Each participate will be given a ticket. One half stays with participate as their “number” and the corresponding half will be placed in a lottery bowl. Number calling will begin at 8:10 a.m./1:10 p.m. (respectively)

Numbers will be pulled and the owner of the ticket will then register their student. Parents will need their registration forms and fees (supply and registration) to secure their spot.

We are working diligently to cover all the needs of our alumni based on the interest surveys that were handed in. Please understand that spaces are limited and even a waitlist on that day does not mean you will not get a spot for next year. Spots are always changing.
